Most merciful God, we acknowledge that you are our God and that we have covenanted to be your people. But we confess that we fail to live out that covenant in our lives, fail to love others, allowed fear to make us small in our faith, allowed the shadows of doubt to obscure the brightness of your presence, we follow the desires of our own heart instead of seeking your presence. Holy God, forgive us for what we have done and for what we have left undone. Remind us again of your presence near us and in us. Free us from guilt, shame, and self-doubt. Help us to see you in the moment-by-moment possibilities to live with integrity, to act courageously as your people, and to speak the love of God in all of our words and actions for the sake of your Son Jesus Christ. Help us to delight in your will, and walk in your ways, to the glory of your Name. Amen.
